

REPORT
about the work of the Dissertation Council

Dissertation Council in the direction 8D023 - Languages and literature
(6D020500/8D02301 - Philology / 6D021400/8D02308 - Literary studies) at the
Abai Kazakh National Pedagogical University

1. Data on the number of meetings held

In 2023, 4 meetings were held in the Dissertation Council at the Abai Kazakh National Pedagogical University in the direction **8D023 - Languages and Literature (6D020500/8D02301 - Philology / 6D021400/8D02308 - Literary studies)** (07.04.2023-31.12.2023).

2. Names of the members of Dissertation Council who attended less than half of the meetings (if any)

There were no council members who have attended less than half of the meetings.

3. A list of doctoral students indicating the organization of training.

1. Syzdykov Serikbol Kusainovich, Abai Kazakh National Pedagogical University;

2. Zhetibai Rakymberdi Kazhigaluly, Abai Kazakh National Pedagogical University;

4. A brief analysis of the dissertations considered by the council during the reporting year, highlighting the following sections:

According to the dissertation of Syzdykov Serikbol Kusainovich:

1) Analysis of the topics of reviewed works;

The topic of the dissertation is "Artistic function of national-ethnographic values in A.Seidimbek's prose".

Specialty: 6D021400 – Literary studies

Scientific consultants – Doctor of Philological sciences, Professor Abdigaziuly Baltabai, Doctor of Philosophy (PhD), Professor Kenan Koch

The defense took place on September 28, 2023.

The following new and reliable results were obtained in the work:

- *The novelty of the first result* is that the genesis of the process of formation, creation and artistic development of national-ethnographic values was comprehensively studied;

- *The novelty of the second result* is that the personality and behavior of the characters of the work are studied in the process of development, the path of growth in the work of art is differentiated, national-ethnographic features are analyzed;

- *The novelty of the third result* is that the artistic image is the main support of the work, its personality as a participant in the main plot of the work was considered based on the text comprehensively;

- *The novelty of the fourth result* is that the characters of the work, their image and behavior in the story are considered in a new way in the dissertation research in the context of national-ethnographic values.

2) Compliance of the dissertation with the following priority direction of science development for 2021-2023, approved by the Higher Scientific and Technical Commission under the Government of the Republic of Kazakhstan:

The dissertation corresponds to the priority directions of science development "Research in the field of education and science", "Research in the field of social and humanitarian sciences" for 2021-2023, approved by the Higher Scientific and Technical Commission under the Government of the Republic of Kazakhstan.

3) Analysis of the level of implementation of the results of the dissertation in practice.

It can be used as an auxiliary aid for lectures and lessons on the issue of epic works including prose genres, national worldview, ethnographic features and similar researches according to the subjects of the Introduction to Literary Studies, Modern Kazakh Literature.

According to the dissertation of Zhetibai Rakymberdi Kazhigaliuly:

2) analysis of topics of reviewed works;

The topic of the dissertation is – "The artistic world of Zhumeken Nazhimedenov's prose"

Specialty: 8D02308 – Literary Studies

Scientific consultants – Doctor of Philological sciences, Professor Abdigaziuly B., Doctor of Philosophy (PhD), Professor Nezir Timur

Defense took place on December 27, 2023.

The following new and reliable results were obtained in the work:

- the first result is new, valuable conclusions were made about the writer's artistic and aesthetic pursuits in his prose works;
- the second result is new, comprehensive psychoanalytic analysis that proves the writer's stylistic searches and skill in depicting the inner twists of human soul;
- the third result is new, because the writer Zhumeken Nazhimedenov's contribution to Kazakh prose was defined on the basis of specific theoretical and literary materials;
- the fourth result is new, because the Writer's prose works were studied for the first time, systematized by the genres of story and novel;

2) The connection of the topic of the dissertation with the directions of the development of science, which were formed by the Higher Scientific and Technical Commission under the Government of the Republic of Kazakhstan in accordance with paragraph 3 of Article 18 of the Law "On Science" and (or) state programs

The main idea of the research corresponds to the priority directions of science development, the priority directions of the State Program for the

Development of Education and Science of the Republic of Kazakhstan for 2020-2025 (Resolution of the Government of the Republic of Kazakhstan dated December 27, 2019 No. 988).

3) analysis of the level of application of dissertation results in practice.

Teaching the peculiarities of Kazakh prose to the students of the Faculty of Philology of the Higher School will allow them to comprehensively develop a future specialist, improve the quality of education, teach them to appreciate national values and noble heritage and develop their intellectual potential. The scientific results of the dissertation work, developed during the research work, can be used as an auxiliary aid in such disciplines as "History of Kazakh Literature", "Kazakh Literature of 1960-1990 years", "History of the Kazakh novel".

5. Analysis of the work of official reviewers (with examples of the most substandard reviews).

Leading specialists of the Republic in the field of Literary Studies were appointed as reviewers of dissertations. The independence of scientific consultants and reviewers was taken into account at appointment of reviewers.

Reviewers analyzed doctoral theses from a professional point of view. Negative reviews were not given.

Information on reviewers of defended dissertations:

1. According to the dissertation of Syzdykov Serikbol Kusainovich:

1. Zharylgapov Zhansaya Zhangazievich – Doctor of Philological Sciences, Professor, Karaganda University named after Academician E.Buketov, Republic of Kazakhstan.
